4. Laboratory Analysis — Tested Sample

The following values are reproduced from the laboratory report supplied for the tested onion-flakes sample. They should be treated as sample-specific analytical results and not as a blanket guarantee for every future commercial batch.

Moisture	8.36%
Total Ash	3.45%
Fat	0.35%
Protein	7.91%
Total Carbohydrates	79.93%
Energy	354.4 kcal / 100 g
Total Sugar	45.66%
Added Sugar	<0.5%
Sodium	18.61 mg / 100 g
Saturated Fatty Acid	<0.1%
Monounsaturated Fatty Acid	0.16%
Polyunsaturated Fatty Acid	0.12%
Trans Fatty Acid	<0.1%

5. Laboratory Report Reference

Laboratory	Kulkarni Food and Water Testing Laboratory Pvt. Ltd.
Report Number	KL/F/26-1586
Sample Name	Onion flakes
Sample Quantity	250 g
Sample Received	10 April 2026
Analysis Period	10 April 2026 – 18 April 2026
Report Date	18 April 2026

The laboratory report states that the analysis pertains to the sample received by the laboratory. The complete original report should be retained as the supporting laboratory document.

Important: The updated commercial moisture specification is 5–8%, while the referenced tested sample recorded 8.36%. These are separate records; the commercial specification should be verified against the final production batch before shipment.

6. Microbiological Specifications

Total Plate Count	To be confirmed — CFU/g
Yeast & Mould	To be confirmed — CFU/g
E. coli	To be confirmed — CFU/g
Salmonella	To be confirmed — applicable test requirement
Coliforms	To be confirmed — CFU/g

7. Quality & Compliance Specifications

Pesticide Residue	To be confirmed as per applicable buyer / destination requirement
Heavy Metals	To be confirmed by applicable test/report
Aflatoxin	To be confirmed by applicable test/report
GMO Status	To be confirmed
Irradiation Status	To be confirmed
Additive Status	To be confirmed

8. Packaging & Storage

Standard Packing	To be confirmed — commercial packing size
Inner Packaging	To be confirmed — food-grade inner liner / packaging
Outer Packaging	To be confirmed — export-grade outer packaging
Custom Packing	Available subject to buyer requirement
Private Label	To be confirmed
Storage Condition	Dry area
Recommended Temperature	To be confirmed
Recommended Humidity	To be confirmed
Shelf Life	1 year
